Advertisement for position of Senior Research Fellow (SRF) under the 'SERB' funded project at Institute of Nano Science and Technology

Applications are invited from highly motivated and bright candidates for engagement of **Project Senior Research Fellow** in the research project funded by 'SERB, Government of India at Institute of Nano Science and Technology, Mohali.

Title of the Research Project: Development of nanostructured MoS₂ based SERS and FET biosensors for Sepsis Biomarkers detection

Principal Investigator: Dr. Kiran Shankar Hazra (PI) & Dr. Rehan Khan (Co-PI)

Name of the position available: Senior Research Fellow

Number of positions available: One

Qualifications:

Essential: Post Graduate Degree in Physics/Electronics/Material Science or Graduate / Post Graduate Degree in Professional course selected through a process described through any one of the following:

- Scholars who are selected through National Eligibility Tests – CSIR-UGC NET including lectureship (Assistant Professorship) or GATE.
- The selection process through National level examinations conducted by Central Government Departments and their Agencies and Institutions such as DST, DBT, DAE, DOS, DRDO, MHRD, ICAR, ICMR, IIT, IISc, IISER etc.

Experience: Two years of rigorous research experience is mandatory.

Desirable: Research experience in Sensing or FET or electrical transport or Raman spectroscopy or device fabrication.

Age limit: : Must not be over 30 years as on 20th April, 2023, which is relaxable for certain reserved categories as per rules of Government of India.

Fellowship: 35,000/- (pm) consolidated.

Last date of receipt of application: 20th April, 2023

Project duration: Initially one year and may be extended based on performance of the candidate and availability of funds.

General Terms and Conditions:

- The position is purely temporary and on contractual basis and **renewable each year subject to satisfactory performance for a maximum of three years/till the completion of the project whichever is earlier.** The position is **co-terminus** with the project. **Candidate selected for this position can also apply for the regular PhD program of INST provided they satisfy eligibility criteria.**
- The position is purely temporary and on contractual basis. The position is co-terminus with the project.
- No TA/DA will be paid for attending the interview.
- **Original documents of age proof/certificates/degrees/mark sheets and other testimonials must be presented along with the self-attested photocopies of these documents at the time of interview for attending interview in person.**

Only shortlisted candidates will be communicated through email to appear in the interview and no other communication in this regard will be entertained.

Completed **applications in the prescribed format / CV** as annexed should reach to the following address **by 20th April, 2023 via email attachment (complete one combined PDF) addressed to:**
